**MOTION FOR CORRECTION OF  
DECISION NO. 72487, *NUNC PRO TUNC***

On June 15, 2010, Park Water Company, Inc. ("Park Water" or "the Company") filed with the Arizona Corporation Commission ("Commission") an application for a permanent rate increase.

On July 25, 2011, the Commission issued Decision No. 72487 granting that rate increase.

It has come to Staff's attention that an apparent clerical error occurred in the Decision which requires correction *nunc pro tunc*. In reciting the finds of fact, the Decision provides:<sup>1</sup>

1 In its Conclusions of Law, the Commission further stated:

2 4. The rates and charges authorized herein below are just and reasonable and should be  
3 approved without a hearing.

4 5. Staff's recommendations, as set forth herein, are reasonable and should be adopted.<sup>2</sup>

5 However, in its ordering paragraph, the section regarding Commodity Rates was omitted,  
6 apparently inadvertently.<sup>3</sup> To correctly state the order intended by the Commission, the following  
7 language regarding Commodity Rates, which reflects the Commission's adoption of Staff's  
8 recommendations, should be inserted at Page 12, line 28 of Decision No. 72487, *nunc pro tunc*:

27 <sup>2</sup> Decision No. 72487, p. 12, l. 15-17.

28 <sup>3</sup> At Open Meeting an Amendment to the ROO was adopted which deleted and replaced the section on Monthly Usage charges. As that section immediately preceded the section on Commodity Rates, it appears that the removal of Commodity Rates from the order was the result of a clerical error.
